# Try Our All-In Log Home Budget Calculator

Most calculators only estimate the shell. Ours gives you a realistic look at the total cost — land, design choices, building options, and more — so you can plan with confidence.

(If you already own property and don't consider it part of your budget, enter 0)

(Builder erects shell and gets it weather tight, YOU act as general contractor - saves 15%.) This adds the look and feel of timber frame to your log home.

(Based on the sq ft of your main floor)
